Plymouth Memory Walk 2014

30 October 2014

Dear Marina and Chris

Thank you so much for bringing your fabulous Line Dancing to Plymouth Memory Walk 2014, you were amazing!

The walk was a resounding success with 342 people taking part! Memory Walk is our biggest fundraising event and it is a great opportunity to have a fun day out with friends and family while raising money and awareness for a great cause.

We raised over £850 on the day, which was fantastic and I know there is a lot more to come through sponsorship and just giving. So far the walk has raised £6,964.09 so we are well on the way to beating last year's final amount of just over £12,000. We won't know the full amount until the start of the new year but I am hoping to raise £15,000!

Thank you again your support, I hope that you all enjoyed your selves as well!

Yours Sincerely
