## **RESTARTS**

**When using the Jake O'Neill song, you will restart the dance twice after 8 counts (both times facing the front 12 o'clock wall) after dancing 4 walls initially and then a further 4 walls after the first restart. When you are restarting, change the Coaster Cross (7&8) to just be a Coaster Step.**

**The dance will finish facing the front wall after you have done 3 repetitions of all 4 walls.**

**This dance was choreographed to introduce a slower tempo of dance for beginners but is also very useful as a floor-split for intermediate-level nightclub dances at socials etc. (No need to have the restarts when dancing to any other tracks)**
